ADDITIONAL GUIDELINES FOR THE APPLICANT

THIS RETAIL APPLICATION FORM IS NOT FOR DISTRIBUTION OR RELEASE, DIRECTLY OR INDIRECTLY, IN OR INTO THE UNITED STATES, CANADA, AUSTRALIA, HONG KONG, SOUTH AFRICA OR JAPAN OR ANY OTHER JURISDICTION IN WHICH THE DISTRIBUTION OR RELEASE WOULD BE UNLAWFUL. OTHER RESTRICTIONS ARE APPLICABLE. PLEASE SEE "SELLING RESTRICTIONS" BELOW.

Regulatory issues: Legislation passed throughout the European Economic Area (the "EEA") pursuant to the Markets and Financial Instruments Directive ("MiFID II") implemented in the Norwegian Securities Trading Act, imposes requirements in relation to business investments. In this respect, the Managers must categorise all new clients in one of three categories: Eligible counterparties, Professional clients and Non-professional clients. All applicants applying for Offer Shares in the Offering who/which are not existing clients of the Managers will be categorised as Non-professional clients. The applicant can by written request to one of the Managers ask to be categorised as a Professional client if the applicant fulfils the provisions of the Norwegian Securities Trading Act and ancillary regulations. For further information about the categorisation, the applicant may contact the Managers. The applicant represents that it has sufficient knowledge, sophistication and experience in financial and business matters to be capable of evaluating the merits and risks of an investment decision to invest in the Company by applying for Offer Shares, and the applicant is able to bear the economic risk, and to withstand a complete loss of an investment in the Company. The Managers will receive a consideration from the Company and will in conducting its work have to take into consideration the requirements of the Company and the interests of the investors subscribing under the Offering and the rules regarding inducements pursuant to the requirements of the Norwegian MiFID II Regulations (implementing the European Directive for Markets in Financial Instruments (MiFID II)).

Execution only: As the Managers are not in the position to determine whether the application for Offer Shares is suitable for the applicant, the Managers will treat the application as an execution only instruction from the applicant to apply for Offer Shares in the Offering. Hence, the applicant will not benefit from the corresponding protection of the relevant conduct of business rules in accordance with the Norwegian Securities Trading Act.

Information Exchange: The applicant acknowledges that, under the Norwegian Securities Trading Act and the Norwegian Financial Undertakings Act and foreign legislation applicable to the Managers, there is a duty of secrecy between the different units of the Managers as well as between the Managers and the other entities in the Managers group. This may entail that other employees of the Managers or the Managers' group may have information that may be relevant to the applicant, but which the Managers will not have access to in its capacity as Managers for the Retail Offering.

Information barriers: The Managers are securities firms, offering a broad range of investment services. In order to ensure that assignments undertaken in the Managers' corporate finance departments are kept confidential, the Managers' other activities, including analysis and stock broking, are separated from the Managers' corporate finance departments by information barriers. The applicant acknowledges that the Managers' analysis and stock broking activity may act in conflict with the applicant's interests with regard to transactions in the Offer Shares as a consequence of such information barriers.

VPS account and anti-money laundering procedures: The Retail Offering is subject to applicable anti-money laundering legislation, including the Norwegian Money Laundering Act of 1 June 2018 no. 23 and the Norwegian Money Laundering Regulation of 14 September 2018 no. 1324 (collectively, the "Anti-Money Laundering Legislation"). Applicants who are not registered as existing customers of one of the Managers must verify their identity to the Managers in accordance with the requirements of the Anti-Money Laundering Legislation, unless an exemption is available. Applicants who have designated an existing Norwegian bank account and an existing VPS account on the Retail Application Form are exempted, unless verification of identity is requested by the Managers. Applicants who have not completed the required verification of identity prior to the expiry of the Retail Application Period will not be allocated Offer Shares. Furthermore, participation in the Retail Offering is conditional upon the applicant holding a VPS account. The VPS account number must be stated in the Retail Application Form. VPS accounts can be established with authorised VPS registrars, which can be Norwegian banks, authorised investment firms in Norway and Norwegian branches of credit institutions established within the EEA. Establishment of a VPS account requires verification of identity to the VPS registrar in accordance with the Anti-Money Laundering Legislation. Non-Norwegian investors may, however, use nominee VPS accounts registered in the name of a nominee. The nominee must be authorised by the Financial Supervisory Authority of Norway.

Selling restrictions: The Offering is subject to specific legal or regulatory restrictions in certain jurisdictions, see Section 17 "SELLING AND TRANSFER RESTRICTIONS" in the Prospectus. Neither the Company nor the Selling Shareholders assume any responsibility in the event there is a violation by any person of such restrictions. It is the responsibility of any person outside Norway wishing to acquire Offer Shares in the Offering, to satisfy himself/herself/itself as to the full observance of the terms and conditions of the Offering and the laws of any relevant jurisdiction in connection therewith, including obtaining any governmental or other consent which may be required, the compliance with other necessary formalities and the payment of any issue, transfer or other taxes due in such territories. The Offer Shares have not been and will not be registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act") or under any securities laws of any state or other jurisdiction of the United States and may not be taken up, offered, sold, resold, transferred, delivered or distributed, directly or indirectly, within, into or from the United States except pursuant to an applicable exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act and in compliance with the securities laws of any state or other jurisdiction of the United States. Neither the Company nor any Selling Shareholders have authorised any offer to the public of its securities in any Member State of the EEA other than Norway. With respect to each Member State of the EEA other than Norway, which has implemented the EU Prospectus Directive (each, a "Relevant Member State"), no action has been undertaken or will be undertaken to make an offer to the public of the Offer Shares requiring a publication of a prospectus in any Relevant Member State. Any offers outside Norway and will only be made in circumstances where there is no obligation to produce a prospectus.

Stabilisation: In connection with the Offering, the Stabilisation Manager or its agents, on behalf of the Managers, may engage in transactions that stabilise, maintain or otherwise affect the price of the Shares for up to 30 days from the first day of Listing. Specifically, the Stabilisation Manager may effect transactions with a view to supporting the market price of the Shares at a level higher than might otherwise prevail, through buying Shares in the open market at prices equal to or lower than the Offer Price. There is no obligation on the Stabilisation Manager and its agents to conduct stabilisation activities and there is no assurance that stabilisation activities will be undertaken. Such stabilising activities, if commenced, may be discontinued at any time, and will be brought to an end at the latest 30 calendar days after the first day of the Listing.

Supplementary information on processing of personal data and the applicants' rights can be found on the Managers' websites.

Investment decisions based on full Prospectus: Investors must neither accept any offer for, nor acquire any Offer Shares, on any other basis than on the complete Prospectus.

Terms and Conditions for Payment by Direct Debiting - Securities Trading: Payment by direct debiting is a service the banks in Norway provide in cooperation. In the relationship between the payer and the payer's bank, the following standard terms and conditions apply.

1. The service "Payment by direct debiting — securities trading" is supplemented by the account agreement between the payer and the payer's bank, in particular Section C of the account agreement, General terms and conditions for deposit and payment instructions.
2. Costs related to the use of "Payment by direct debiting — securities trading" appear from the bank's prevailing price list, account information and/or information is given by other appropriate manner. The bank will charge the indicated account for costs incurred.
3. The authorisation for direct debiting is signed by the payer and delivered to the beneficiary. The beneficiary will deliver the instructions to its bank who in turn will charge the payer's bank account.
4. In case of withdrawal of the authorisation for direct debiting, the payer shall address this issue with the beneficiary. Pursuant to the Norwegian Financial Contracts Act, the payer's bank shall assist if the payer withdraws a payment instruction which has not been completed. Such withdrawal may be regarded as a breach of the agreement between the payer and the beneficiary.
5. The payer cannot authorise for payment of a higher amount than the funds available at the payer's account at the time of payment. The payer's bank will normally perform a verification of available funds prior to the account being charged. If the account has been charged with an amount higher than the funds available, the difference shall immediately be covered by the payer.
6. The payer's account will be charged on the indicated date of payment. If the date of payment has not been indicated in the authorisation for direct debiting, the account will be charged as soon as possible after the beneficiary has delivered the instructions to its bank. The charge will not, however, take place after the authorisation has expired as indicated above. Payment will normally be credited to the beneficiary's account between one and three working days after the indicated date of payment/delivery.
7. If the payer's account is wrongfully charged after direct debiting, the payer's right to repayment of the charged amount will be governed by the account agreement and the Norwegian Financial Contracts Act.

Overdue and missing payments: Overdue payments will be charged with interest at the applicable rate from time to time under the Norwegian Act on Interest on Overdue Payment of 17 December 1976 No. 100, currently 12% per annum as at the date of the Prospectus. Should payment not be made when due, the Offer Shares allocated will not be delivered to the applicant, and the Managers reserves the right, at the risk and cost of the applicant, to at any time thereafter, cancel the application and to re-allot or, if payment has not been received by the third day after the Payment Date, otherwise dispose of or assume ownership to the allocated Offer Shares, on such terms and in such manner as the Managers may decide in accordance with Norwegian law (and the applicant will not be entitled to any profit therefrom). The original applicant will remain liable for payment of the Offer Price for the Offer Shares allocated to the applicant, together with any interest, costs, charges and expenses accrued, and the Company, the Selling Shareholder and/or the Managers may enforce payment of any such amount outstanding in accordance with Norwegian law.

National Client Identifier and Legal Entity Identifier: In order to participate in the Offering, applicants will need a global identification code. Physical persons will need a National Client Identifier ("NCI") and legal entities will need a LEI code. Investors who do not already have an NCI or LEI code, as applicable, must obtain such codes in time for the application in order to participate in the Offering. **NCI code for physical persons:** Physical persons need a NCI code to participate in a financial market transaction, i.e. a global identification code for physical persons. For physical persons with only a Norwegian citizenship, the NCI code is the 11- digit personal ID (Nw: "fødselsnummer"). If the person in question has multiple citizenships or another citizenship than Norwegian, another relevant NCI code can be used. Applicants are encouraged to contact their bank for further information. **LEI code for legal entities:** Legal entities need a LEI code to participate in a financial market transaction. A LEI code must be obtained from an authorized LEI issuer, and obtaining the code can take some time. Applicants should obtain a LEI code in time for the application.
