CORPORATE CUSTOMER

Which deposit guarantee scheme is deposits in DNB Bank ASA covered by?	The Norwegian deposit guarantee scheme which is administered by The Norwegian banks' guarantee fund.
When does the guarantee apply?	If the Ministry of Finance (Finansdepartementet) decides that a bank must be liquidated, the deposit guarantee ensures that you have access to your deposit.
How much does the guarantee cover?	<p>The guarantee covers deposits up to a total of NOK two million per depositor. If the company has several accounts in the same bank, the guarantee covers up to a total of NOK two million in the bank.</p> <p>Most companies are covered by the deposit guarantee. However, there are some exceptions that follow from the Financial Institutions Act Section 19-3, 2nd paragraph. The exceptions apply, among other things, to deposits from public authorities and deposits from financial institutions. More information on this can be found in "Veiledning om innskuddsgarantiens dekning" (in Norwegian only) on the website of The Norwegian banks' guarantee fund.</p>
Can deposits beyond NOK two million also be covered by the deposit guarantee scheme?	<p>Yes, in some cases you may have an extended coverage.</p> <p>More information can be found on the website of The Norwegian banks' guarantee fund.</p>
When does the company get access to its deposits if the bank must be liquidated?	<p>The Norwegian banks' guarantee fund shall make the deposits available within seven business days.</p> <p>In the case of deposits with extended coverage, the deadline is three months.</p> <p>All guaranteed deposits are made available in Norwegian kroner.</p>
