

Order form for report on employees' consultation operations relating to customer relationship

I would like to receive information about the number of electronic searches (consultation operations) that employees of the bank have carried out relating to my customer relationship, and the times of these searches. I am aware that the report will give me an overview of the consultation operations carried out in the last 3 months, and that I should contact DNB if I would like an overview of a longer period.

The request applies to:

Period

From date:

To date:

Name:

Address:

Date of birth (dd.mm.yyyy):

I understand that I should not include my national identity number on this form.
