

## HOW TO COMPLETE AND USE THE FORM

The form below is to be used to obtain specimen signatures:

- When customers need to establish their identity for the first time and produce valid proof of identity: BankID or passport (Norwegian or other).
- When a specimen signature has not been previously provided, provided that the customer has previously established his/her identity with BankID or a passport. In this connection, the following proof of identity can be used: Passport, Norwegian driving licence issued after 1 January 1998, Nordic EU standard driving licence, Norwegian bank card with proof of identity and national ID card (National EU ID-card).

NB: For applications for BankID, the Internet bank, bank card with ID photo or D number. (for persons without a Norwegian national identity number) a valid passport must be shown.
