Neither the Company nor the Managers may be held responsible for postal delays, unavailable internet lines or servers or other logistical or technical problems that may result in subscriptions not being received in time or at all by the Managers. The number of Subscription Rights granted to each Eligible Shareholder will be rounded down to the nearest whole Subscription Right. Over-subscription and subscription without Subscription Rights is not permitted. The Company reserves the right to reduce the number of Offer Shares per Subscription Right in the event that (i) additional Eligible Shareholders are identified after the date of this Prospectus, and (ii) the Company receives in excess of 27,803,642,659 valid subscriptions in the Subsequent Offering. Allocation: The allocation criteria are set out in the Prospectus. Over-subscription and subscription without Subscription Rights will not be permitted. Allocation of fewer Offer Shares than subscribed for by a subscriber will not impact the subscriber's obligation to pay for the number of Offer Shares allocated. The Company will not allocate fractional Offer Shares. The Company reserves the right to round off, reject or reduce any subscription for Offer Shares. Notifications of allocation of Offer Shares and the corresponding subscription amount to be paid by each subscriber are expected to be distributed by the Managers on or around 5 September 2025. ADDITIONAL INFORMATION FOR THE SUBSCRIBER

Regulatory Issues: In accordance with the Markets in Financial Instruments Directive 2014/65/EU ("MIFID II") of the European Union, Norwegian law imposes requirements in relation to business investments. In this respect the Managers must categorize all new clients in one of three categories: eligible counterparties, professional and non-professional clients. All subscribers in the Subsequent Offering who are not existing clients of the Managers will be categorized as non-professional clients. Subscribers can, by written request to the Managers, ask to be categorized as a professional client if the subscriber fulfils the applicable requirements of the Norwegian Securities Trading Act. For further information about the categorization, the subscriber may contact the Managers on the telephone numbers set forth hereon. The subscriber represents that he/she/it is capable of evaluating the merits and risks of an investment decision to invest in the Company by subscribing for Offer Shares, and is able to bear the economic risk, and to withstand a complete loss, of an investment in the Offer Shares.

The Managers will receive compensation from the Company in connection with the Subsequent Offering and will in conducting its work have to take into consideration the requirements of the Company and the interests of the investors subscribing under the Subsequent Offering and the rules regarding inducements pursuant to the requirements of the Norwegian Securities Trading Act and accompanying regulations (implementing MIFID II).

General Business Terms and Conditions: The subscription for Offer Shares is further regulated by the Managers' respective general business terms and conditions, and guidelines for execution of orders and categorization of customers, which are available on the following websites: www.arctic.com/offering, www.clarksons.com/financial/securities/investment-banking and www.dnb.no/emisjon.

Execution Only: As the Managers are not in the position to determine whether the application for Offer Shares is suitable for the applicant, the Managers will treat the application as an execution only instruction from the applicant to apply for Offer Shares. Hence, the applicant will not benefit from the corresponding protection of the relevant conduct of business rules in accordance with the Norwegian Securities Trading Act.

Selling and Transfer Restrictions: The attention of persons who wish to subscribe for Offer Shares is drawn to Section 15 "Selling and Transfer Restrictions" of the Prospectus. The making or acceptance of the Subsequent Offering to or by persons who have registered addresses outside Norway or who are resident in, or citizens of, countries outside Norway, may be affected by the laws of the relevant jurisdiction.

The Company is not taking any action to permit a public offering of the Offer Shares in any jurisdiction other than Norway. Accordingly, neither this Prospectus nor any advertisement or any other offering material may be distributed or published in any jurisdiction except as permitted by applicable laws and regulations. Persons in possession of this Prospectus are required to inform themselves about, and to observe, any such restrictions. In addition, the Shares and the Subscription Rights are subject to restrictions on transferability and resale in certain jurisdictions and may not be transferred or resold except as permitted under applicable securities laws and regulations. Investors should be aware that they may be required to bear the financial risks of this investment for an indefinite period of time. Any failure to comply with these restrictions may constitute a violation of applicable securities laws.

The Offer Shares have not been, and will not be, registered under the U.S. Securities Act of 1933, as amended (the "U.S. Securities Act") or with any securities regulatory authority of any state or other jurisdiction in the U.S., and are being offered and sold: (i) in the U.S. only to persons who are QIBs in reliance on Rule 144A or another available exemption from, or in a transaction not being subject to, the registration requirements under the U.S. Securities Act, as well as to major U.S. institutional investors under SEC Rule 15a-6 to the U.S. Exchange Act of 1934 and (ii) outside the U.S. in compliance with Regulation S. Prospective investors are hereby notified that any seller of the Offer Shares may be relying on the exemption from the provisions of section 5 of the U.S. Securities Act provided by Rule 144A.

A subscription for Offer Shares in contravention of the above restrictions may be deemed to be invalid. By subscribing for Offer Shares, persons effecting subscriptions will be deemed to have represented to the Company that they, and the persons on whose behalf they are subscribing for the Offer Shares, have complied with the above selling restrictions. A notification of exercise of Subscription Rights and subscription of Offer Shares in contravention of the above restrictions may be deemed to be invalid.

Information Exchange: The subscriber acknowledges that, under the Norwegian Securities Trading Act and the Norwegian Commercial Banks Act and foreign legislation applicable to the Managers, there is a duty of secrecy between the different units of the Managers as well as between the Managers and the other entities in a Manager's group. This may entail that other employees of the Managers or a Manager's group may have information that may be relevant to the subscriber and to the assessment of the Offer Shares, but which the Managers will not have access to in their capacity as Managers for the Subsequent Offering.

Information Barriers: Each Manager is a securities firm that offer a broad range of investment services. In order to ensure that assignments undertaken in the Managers' respective corporate finance departments are kept confidential, the Managers' other activities, including analysis and stock broking, are separated from the Managers' corporate finance department by information walls. The subscriber acknowledges that the Managers' analysis and stock broking activity may act in conflict with the subscriber's interests with regard to transactions of the Shares, including the Offer Shares, as a consequence of such information walls.

Mandatory Anti-Money Laundering Procedures: The Subsequent Offering is subject to the Norwegian Money Laundering Act No. 23 of 1 June 2018 and the Norwegian Money Laundering Regulations No. 1324 of 14 September 2018, as amended (together, the "Anti-Money Laundering Legislation"). Subscribers who are not registered as existing customers of the Managers must verify their identity to the Managers in accordance with the requirements of the Anti-Money Laundering Legislation, unless an exemption is available. Subscribers who have designated an existing Norwegian bank account and existing VPS account on the Subscription Form are exempted, unless verification of identity is requested by the Managers. Subscribers who have not completed the required verification of identity prior to the expiry of the Subscription Period will not be allocated Offer Shares. Furthermore, participation in the Subsequent Offering is conditional upon the subscriber holding a VPS account. The VPS account number must be stated in the Subscription Form. VPS accounts can be established with authorized VPS registrars, who can be Norwegian banks, authorized securities brokers in Norway and Norwegian branches of credit institutions established within the EEA. However, non-Norwegian investors may use a nominee VPS account registered in the name of a nominee. The nominee must be authorized by the Financial Supervisory Authority of Norway. Establishment of a VPS account requires verification of the identification to the VPS registrar in accordance with the Anti-Money Laundering Legislation.

Data protection: The subscriber confirms that it has been provided information regarding the Managers' processing of personal data, and that it is informed that the Managers will process the subscriber's personal data in order to manage and carry out the Subsequent Offering and the subscription from the subscriber, and to comply with statutory requirements. The data controllers who are responsible for the processing of personal data are the Managers. The processing of personal data is necessary in order to fulfil the subscription and to meet legal obligations. The Norwegian Securities Trading Act and the Anti-Money Laundering Legislation require that the Managers process and store information about clients and trades, and control and document activities. The subscriber's data will be processed confidentially, but if it is necessary in relation to the purposes, the personal data may be shared between the Managers, the company(ies) participating in the Subsequent Offering, with companies within the Managers' groups, the VPS, stock exchanges and/or public authorities. The personal data will be processed as long as necessary for the purposes, and will subsequently be deleted unless there is a statutory duty to keep it. If the Managers transfer personal data to countries outside the EEA, that have not been approved by the EU Commission, the Managers will make sure the transfer takes place in accordance with the legal mechanisms protecting the personal data, for example the EU Standard Contractual Clauses. As a data subject, the subscribers have several legal rights. This includes inter alia the right to access its personal data, and a right to request that incorrect information is corrected. In certain instances, the subscribers will have the right to impose restrictions on the processing or demand that the information is deleted. The subscribers may also complain to a supervisory authority if they find that the Managers' processing is in breach of the law. Supplementary information on processing of personal data and the subscriber's rights can be found at the Managers' respective websites.

Terms and Conditions for Payment by Direct Debiting – Securities Trading: Payment by direct debiting is a service the banks in Norway provide in cooperation. In the relationship between the payer and the payer's bank the following standard terms and conditions will apply:

- The service "Payment by direct debiting – securities trading" is supplemented by the account agreement between the payer and the payer's bank, in particular Section C of the account agreement, General terms and conditions for deposit and payment instructions.
- Costs related to the use of "Payment by direct debiting – securities trading" appear from the bank's prevailing price list, account information and/or information given by other appropriate manner. The bank will charge the indicated account for costs incurred.
- The authorization for direct debiting is signed by the payer and delivered to the beneficiary. The beneficiary will deliver the instructions to its bank who in turn will charge the payer's bank account.
- In case of withdrawal of the authorization for direct debiting, the payer shall address this issue with the beneficiary. Pursuant to the Norwegian Financial Contracts Act, the payer's bank shall assist if the payer withdraws a payment instruction that has not been completed. Such withdrawal may be regarded as a breach of the agreement between the payer and the beneficiary.
- The payer cannot authorize payment of a higher amount than the funds available on the payer's account at the time of payment. The payer's bank will normally perform a verification of available funds prior to the account being charged. If the account has been charged with an amount higher than the funds available, the difference shall immediately be covered by the payer.
- The payer's account will be charged on the indicated date of payment. If the date of payment has not been indicated in the authorization for direct debiting, the account will be charged as soon as possible after the beneficiary has delivered the instructions to its bank. The charge will not, however, take place after the authorization has expired as indicated above. Payment will normally be credited the beneficiary's account between one and three working days after the indicated date of payment/delivery.
- If the payer's account is wrongfully charged after direct debiting, the payer's right to repayment of the charged amount will be governed by the account agreement and the Norwegian Financial Contracts Act.

Overdue and missing payments: Overdue and late payments will be charged with interest at the applicable rate from time to time under the Norwegian Act on Interest on Overdue Payment of 17 December 1976 no. 100, currently 12.5% per annum as of the date of this Prospectus. If a subscriber fails to comply with the terms of payment, the Offer Shares will, subject to the restrictions in applicable law and at the discretion of the Managers, not be delivered to the subscriber. The Managers, on behalf of the Company, reserve the right, at the risk and cost of the subscriber to, at any time, cancel the subscription and to re-allocate or otherwise dispose of allocated Offer Shares for which payment is overdue, or, if payment has not been received by the third day after the Payment Date, without further notice sell, assume ownership to or otherwise dispose of the allocated Offer Shares on such terms and in such manner as the Managers may decide in accordance with Norwegian law. The subscriber will remain liable for payment of the subscription amount, together with any interest, costs, charges and expenses accrued and the Managers, on behalf of the Company, may enforce payment for any such amount outstanding in accordance with Norwegian law.

If the person in question has multiple citizenships or another citizenship than Norwegian, another relevant NCI code can be used. Subscribers are encouraged to contact their bank for further information.
