Important information

Regulatory issues: Legislation passed throughout the European Economic Area (the "EEA") pursuant to Directive 2014/65/EU of the European Parliament and of the Council of 15 May 2014 on markets in financial instruments ("MiFID II") implemented in the Norwegian Securities Trading Act, imposes requirements on intermediaries in securities markets. In this respect, the Receiving Agent must categorize all new clients in one of three categories: Eligible counterparties, Professional clients and Non-professional clients. Each Shareholder accepting the Offer ("**Accepting Shareholder**") who is not an existing client of the Receiving Agent will be categorised within one of these three categories pursuant to the Receiving Agent's closer assessment. The Accepting Shareholder can by written request to the Receiving Agent ask to be categorised as a Professional client if the Accepting Shareholder fulfils the provisions of the Norwegian Securities Trading Act and ancillary regulations. For further information about the categorisation, the Accepting Shareholder may contact the Receiving Agent. The Accepting Shareholder represents that it has sufficient knowledge, sophistication and experience in financial and business matters to be capable of evaluating the merits and risks of an investment decision by accepting the Offer.

Execution only: As the Receiving Agent is not in the position to determine whether the acceptance of the Offer is suitable for the Accepting Shareholder, the Receiving Agent will treat the acceptance as an execution only instruction from the Accepting Shareholder to accept the Offer. Information exchange: The Accepting Shareholder acknowledges that pursuant to the Norwegian Securities Trading Act and the Norwegian Financial Undertakings Act and foreign legislation applicable to the Receiving Agent, there is a duty of secrecy between the different units of the Receiving Agent and other entities in the Receiving Agent's group. This may entail that other employees of the Receiving Agent or the Receiving Agent's respective groups may have information that may be relevant for the Accepting Shareholder, but which the Receiving Agent will not have access to in its capacity as Receiving Agent in the Offer.

Information barriers: The Receiving Agent is a security firm offering a broad range of investment services. In order to ensure that assignments undertaken in the Receiving Agent's corporate finance departments are kept confidential, the Receiving Agent's other activities, including analysis and stock broking, are separated from its corporate finance departments by information barriers known as "Chinese walls". The Accepting Shareholder acknowledges that the Receiving Agent's analysis and stock broking activity may act in conflict with the Accepting Shareholder's interests with regard to accepting the Offer as a consequence of such Chinese walls.

Anti-money laundering procedures: The Offer is subject to applicable anti-money laundering legislation, including the Norwegian Money Laundering Act of 1 June 2018 no. 23 and the Norwegian Money Laundering Regulation of 14 September 2018 no. 1324 (collectively, the "**Anti-Money Laundering Legislation**"). Accepting Shareholders who are not registered as existing customers of the Receiving Agent must provide such information and documentation as requested by the Receiving Agent, unless an exemption is available.

Personal data: The delivery of an Acceptance Form to the Receiving Agent confirms that it has been provided information regarding the Receiving Agent's processing of personal data, and that it is informed that the Receiving Agent will process the Accepting Shareholder's personal data in order to manage and carry out the Offering and the acceptance from the Accepting Shareholder, and to comply with statutory requirements. The data controllers who are responsible for the processing of personal data is the Receiving Agent. The processing of personal data is necessary in order to fulfil the Accepting Shareholder's acceptance of the Offer and to meet legal obligations. The Norwegian Securities Trading Act and the Norwegian Money Laundering Act require that the Receiving Agent processes and stores information about clients and trades, and control and document activities. The Accepting Shareholder's data will be processed confidentially, but if it is necessary in relation to the aforementioned purposes or obligations, the personal data may be shared with NTS, affiliates of the Receiving Agent, VPS, stock exchanges and/or public authorities. The personal data will be processed as long as necessary for the purposes, and will subsequently be deleted unless there is a statutory duty to keep it. If the Receiving Agent transfers personal data to countries outside the EEA, that have not been approved by the EU Commission, the Receiving Agent will make sure the transfer takes place in accordance with the legal mechanisms protecting the personal data, for example the EU Standard Contractual Clauses. As a data subject, the Accepting Shareholders have several legal rights. This includes i.e. the right to access its personal data, and a right to request that incorrect information is corrected. In certain instances, the Accepting Shareholders will have the right to impose restrictions on the processing or demand that the information is deleted. The Accepting Shareholder may also complain to a supervisory authority if it finds that the Receiving Agent's processing is in breach of the applicable laws. Supplementary information on processing of personal data and the Accepting Shareholder's rights can be found at the Receiving Agent's website.
