ADDITIONAL GUIDELINES FOR THE SUBSCRIBER

Regulatory Issues: In accordance with the Markets in Financial Instruments Directive (MiFID II) of the European Union, Norwegian law imposes requirements in relation to business investments. In this respect the Managers must categorise all new clients in one of three categories: eligible counterparties, professional and non-professional clients. All subscribers in the Rights Issue who are not existing clients of the Managers will be categorised as non-professional clients. Subscribers can by written request to the Managers ask to be categorised as a professional client if the subscribers fulfils the applicable requirements of the Norwegian Securities Trading Act. For further information about the categorisation, the subscriber may contact the Managers. **The subscriber represents that he/she/it is capable of evaluating the merits and risks of an investment decision to invest in the Combined Company by subscribing for Offer Shares, and is able to bear the economic risk, and to withstand a complete loss, of an investment in the Offer Shares.**

The Managers will receive a consideration from the Combined Company and will in conducting its work have to take into consideration the requirements of the Combined Company and the interests of the investors subscribing under the Rights Issue and the rules regarding inducements pursuant to the requirements of the Norwegian MiFID II Regulations (implementing the European Directive for Markets in Financial Instruments (MiFID II)).

Selling and Transfer Restrictions: The attention of persons who wish to acquire and/or exercise Subscription Rights and/or subscribe for Offer Shares is drawn to Section 17 "Selling and Transfer Restrictions" of the Prospectus. The making or acceptance of the Rights Issue to or by persons who have registered addresses outside Norway, or who are resident in, or citizens of, countries outside Norway, may be affected by the terms of the Rights Issue and the laws of the relevant jurisdiction. Those persons should read Section 17 of the Prospectus and consult with their professional advisers as to whether they are eligible to trade in and/or exercise Subscription Rights to subscribe for Offer Shares, or require any governmental or other consents or need to observe any other formalities to enable them to exercise Subscription Rights or purchase Offer Shares. It is the responsibility of any person outside Norway wishing to acquire and/or exercise Subscription Rights and/or subscribe for Offer Shares under the Rights Issue to satisfy himself/herself/itself as to the full observance of the terms and conditions of the Rights Issue and the laws of any relevant jurisdiction in connection therewith, including obtaining any governmental or other consent which may be required, the compliance with other necessary formalities and the payment of any issue, transfer or other taxes due in such territories. The Subscription Rights and/or the Offer Shares, as applicable, have not been and will not be registered under the United States Securities Act of 1933, as amended (the "**U.S. Securities Act**") or with any securities regulatory authority of any state or other jurisdiction in the United States and may not and will not be offered, sold, pledged or otherwise transferred in or into the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act and in compliance with any applicable state securities laws. There will be no public offer of the Subscription Rights and the Offer Shares in the United States. Notwithstanding the foregoing, the Offer Shares may be offered to and the Subscription Rights may be exercised by or on behalf of, persons in the United States reasonably believed to be QIBs, in offerings exempt from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act, provided such persons satisfy the Combined Company that they are eligible to participate on such basis. Persons in the United States exercising Subscription Rights to acquire Offer Shares will be required to execute an investor letter in a form acceptable to the Combined Company and the Managers. **Other than persons who are QIBs, no person in the United States may be offered Subscription Rights or otherwise acquire Offer Shares by exercise of Subscription Rights.** The Subscription Rights or Offer Shares may not be offered, sold, exercised, pledged, resold, granted, allocated, taken up, transferred or delivered, directly or indirectly, in or into, Canada, Japan, Australia, Hong Kong or any other jurisdiction in which it would not be permissible to offer the Subscription Rights or the Offer Shares. This Subscription Form does not constitute an offer to sell or a solicitation of an offer to buy Offer Shares in any jurisdiction in which such offer or solicitation is unlawful or would, other than Norway, require any prospectus filing, registration or similar action. A notification of exercise of Subscription Rights and subscription of Offer Shares in contravention of the above restrictions may be deemed to be invalid. By subscribing for the Offer Shares, persons effecting subscriptions will be deemed to have represented to the Combined Company that they, and the persons on whose behalf they are subscribing for the Offer Shares, have complied with the above selling restrictions and will be deemed to have made the applicable representations, acknowledgements, agreements and warranties set forth in Section 17.1 of the Prospectus.

Execution Only: The Managers will treat the Subscription Form as an execution-only instruction. The Managers are not required to determine whether an investment in the Offer Shares is appropriate or not for the subscriber. Hence, the subscriber will not benefit from the protection of the relevant conduct of business rules in accordance with the Norwegian Securities Trading Act.

Information Exchange: The subscriber acknowledges that, under the Norwegian Securities Trading Act and the Norwegian Financial Undertakings Act and foreign legislation applicable to the Managers, there is a duty of secrecy between the different units of the Managers, as well as between the Managers and other entities in the Managers' groups. This may entail that other employees of the Managers or the Managers' groups may have information that may be relevant to the subscriber, but which the Managers will not have access to in their capacity as Managers for the Rights Issue.

Information Barriers: The Managers are securities firms that offer a broad range of investment services. In order to ensure that assignments undertaken in the Managers' corporate finance department are kept confidential, the Managers' other activities, including analysis and stock broking, are separated from the Managers' corporate finance department by information walls. The subscriber acknowledges that the Managers' analysis and stock broking activity may conflict with the subscriber's interests with regard to transactions of the Shares, including the Offer Shares, as a consequence of such information walls.

ES-OSL Account and Mandatory Anti-Money Laundering Procedures: The Rights Issue is subject to the Norwegian Money Laundering Act No. 23 of 1 June 2018 and the Norwegian Money Laundering Regulations No. 1324 of 14 September 2018 (collectively, the "**Anti-Money Laundering Legislation**"). Subscribers who are not currently registered as customers of the Managers may be subject to customer due diligence measures ("**KYC**") to comply with the Anti-Money Laundering Legislation. Subscribers that have not completed the required KYC (if any) prior to the end of the Subscription Period may not be allocated Offer Shares. Further, in participating in the Rights Issue, each subscriber must have a ES-OSL account. The ES-OSL account number must be stated on the Subscription Form. ES-OSL accounts can be established with authorised ES-OSL registrars, which can be Norwegian banks, authorised securities brokers in Norway and Norwegian branches of credit institutions established within the European Economic Area (the "**EEA**"). Non-Norwegian investors may, however, use nominee ES-OSL accounts registered in the name of a nominee. The nominee must be authorised by the Financial Supervisory Authority of Norway. Establishment of a ES-OSL account requires verification of identity to the ES-OSL registrar in accordance with the Anti-Money Laundering Legislation.

Personal data: If the Subscription Form is sent to the Managers by e-mail, the e-mail will by default be unsecured unless the subscriber takes measures to secure the e-mail. The Subscription Form may contain sensitive information, including national identification numbers, and the Managers recommends the subscribers to send the Subscription Form in a secured e-mail. The subscriber confirms that it has been provided information regarding the Managers' processing of personal data, and that it is informed that the Managers will process the subscriber's personal data in order to manage and carry out the Rights Issue and the subscription from the subscriber, and to comply with statutory requirements.

The data controllers who are responsible for the processing of personal data are the Managers. The processing of personal data is necessary in order to fulfil the application and to meet legal obligations. The Norwegian Securities Trading Act and the Anti-Money Laundering Legislation require that the Managers process and store information about clients and trades, and control and document activities. The subscriber's data will be processed confidentially, but if it is necessary in relation to the purposes, the personal data may be shared between the Managers, the company(ies) participating in the offering, with companies within the Managers' groups, the ES-OSL, stock exchanges and/or public authorities. The personal data will be processed as long as necessary for the purposes, and will subsequently be deleted unless there is a statutory duty to keep it.

If the Managers transfer personal data to countries outside the EEA, that have not been approved by the EU Commission, the Managers will make sure the transfer takes place in accordance with the legal mechanisms protecting the personal data, for example the EU Standard Contractual Clauses.

As a data subject, the subscribers have several legal rights. This includes inter alia the right to access its personal data, and a right to request that incorrect information is corrected. In certain instances, the subscribers will have the right to impose restrictions on the processing or demand that the information is deleted. The subscribers may also complain to a supervisory authority if they find that the Managers' processing is in breach of the law. Supplementary information on processing of personal data and the subscribers' rights can be found at the Managers' websites.

Terms and Conditions for Payment by Direct Debiting – Securities Trading: Payment by direct debiting is a service the banks in Norway provide in cooperation. In the relationship between the payer and the payer's bank the following standard terms and conditions will apply:

- The service "Payment by direct debiting – securities trading" is supplemented by the account agreement between the payer and the payer's bank, in particular Section C of the account agreement, General terms and conditions for deposit and payment instructions.
- Costs related to the use of "Payment by direct debiting – securities trading" appear from the bank's prevailing price list, account information and/or information given by other appropriate manner. The bank will charge the indicated account for costs incurred.
- The authorisation for direct debiting is signed by the payer and delivered to the beneficiary. The beneficiary will deliver the instructions to its bank who in turn will charge the payer's bank account.
- In case of withdrawal of the authorisation for direct debiting the payer shall address this issue with the beneficiary. Pursuant to the Norwegian Financial Contracts Act, the payer's bank shall assist if the payer withdraws a payment instruction that has not been completed. Such withdrawal may be regarded as a breach of the agreement between the payer and the beneficiary.
- The payer cannot authorise payment of a higher amount than the funds available on the payer's account at the time of payment. The payer's bank will normally perform a verification of available funds prior to the account being charged. If the account has been charged with an amount higher than the funds available, the difference shall immediately be covered by the payer.
- The payer's account will be charged on the indicated date of payment. If the date of payment has not been indicated in the authorisation for direct debiting, the account will be charged as soon as possible after the beneficiary has delivered the instructions to its bank. The charge will not, however, take place after the authorisation has expired as indicated above. Payment will normally be credited the beneficiary's account between one and three working days after the indicated date of payment/delivery.
- If the payer's account is wrongfully charged after direct debiting, the payer's right to repayment of the charged amount will be governed by the account agreement and the Norwegian Financial Contracts Act.

Overdue Payment: Overdue payments will be charged with interest at the applicable rate from time to time under the Norwegian Act on Interest on Overdue Payment of 17 December 1976 No. 100, currently 12.25% per annum as of the date of this Prospectus. If a subscriber fails to comply with the terms of payment, the Offer Shares will, subject to the restrictions in the Norwegian Public Limited Companies Act and at the discretion of the Managers, not be delivered to such subscriber. The Managers, on behalf of the Combined Company, reserve the right, at the risk and cost of the subscriber to, at any time, cancel the subscription and to re-allocate or otherwise dispose of allocated Offer Shares for which payment is overdue, or, if payment has not been received by the third day after the Payment Date, without further notice sell, assume ownership to or otherwise dispose of the allocated Offer Shares on such terms and in such manner as the Managers may decide in accordance with Norwegian law. The subscriber will remain liable for payment of the subscription amount, together with any interest, costs, charges and expenses accrued and the Managers, on behalf of the Combined Company, may enforce payment for any such amount outstanding in accordance with Norwegian law.

The Combined Company and the Managers further reserve the right (but have no obligation) to advance the subscription amount on behalf of subscribers who have not paid for the Offer Shares allocated to them within the Payment Date. The non-paying subscribers will remain fully liable for the subscription amount payable for the Offer Shares allocated to them, irrespective of such payment by the Managers.

National Client Identifier and Legal Entity Identifier: In order to participate in the Rights Issue, subscribers will need a global identification code. Physical persons will need a so-called National Client Identifier ("**NCI**") and legal entities will need a so-called Legal Entity Identifier ("**LEI**"). *NCI code for physical persons:* Physical persons will need a NCI code to participate in a financial market transaction, i.e. a global identification code for physical persons.
